My Next Flight Plan

A connection means another flight on our trip.

Point to the steps with your grown-up. Cut out the cards if you like. Your trip may have extra steps.

1. Get off our first plane

2. Check our next gate

3. Wait at our next gate

4. Board our next plane

Our next gate: _____ Boarding time: _____

Grown-ups: Confirm gates, route, and boarding time. Follow airport and crew directions. Plan stops only when time allows.

Stop and check

Our grown-up helps us choose a stop.

Point to what you need. Ask your grown-up to check the time and find a place.

I need the bathroom.

I want water.

I need a quiet break.

I have a question.

Another thing I need...

We can ask an airport worker for help. I stay with my grown-up.

Friends can help each other

Mei spots a sign. Ava shares her plan.

Draw a sign you could look for at the airport.

Draw the next step on your trip.

Tell, point, or show: Who can help me find the way?
